

12 January 2009

Subject: Invitation information meeting

regarding the Draft Guidelines on the INSPIRE Data Specification
for the spatial theme Cadastral Parcels

Dear colleague,

On behalf of Julius Ernst, representing EuroGeographics and the PCC, I would like to invite you to participate in the upcoming meeting regarding the Draft Guidelines on the INSPIRE Data Specification for the spatial theme Cadastral Parcels¹.

Purpose of the meeting

These Draft Guidelines, recently published by the INSPIRE Thematic Working Group on Cadastral Parcels, will be presented during the upcoming meeting and will provide you with information. After the presentation on the content we would like to encourage you to ask questions in order to help you drafting your comments as good as possible. Attending members from the TWG can support you in defining the right questions whereas you can provide the TWG with information on the most relevant topics.

Venue

The meeting will take place in Vienna on Tuesday the 3rd February 2009 starting at 9:00 until about 16.00h at the BEV, Schiffamtsgasse 1-3, 1020 Wien, 8th floor. A map with the location is attached to this invitation.

Contact

Please inform Julius Ernst before Monday the 26th January 2009 if you (or another representative of your organisation) will attend the meeting.

If you have any questions please contact Julius at the Bundesamt für Eich- und Vermessungswesen BEV, Schiffamtsgasse 1-3, A-1020 Vienna)
by phone (+43(0)1 21110 3703) or E-mail (julius.ernst@bev.gv.at)

The other spatial themes

I would also like to remind you that the Draft Guidelines for the other spatial themes of Annex I will be presented and discussed in a meeting organised by EuroGeographics on Friday the 13th February at IGN France in St Mandé (Paris). More information can be found next week on our website.

Looking forward to meet you in Vienna.

Berny Kersten
EuroGeographics head office
