

Information Resource Project

Pekka Halme

Vienna, June 7, 2006

Contents

- Background
- Recent Activities
- Current Situation
- Future Work Plan
- Questions
- Conclusions

Background

➤ Purpose

- top management
- simple and relevant information
- wide coverage

➤ Development path

- stand-alone / targeted questions

➤ Our understanding

- meet vision topics

Recent Activities

- Toledo (ExG)
- Amsterdam
 - Draft vision and discussion
- Vilnius (ExG)
 - Draft vision and discussion
- Elaboration of questions by themes
- Test answers
 - Switzerland, Sweden, the Netherlands, Latvia, Iceland, Germany, Finland

Current Situation

- Experience of availability of information
- Observations for improvement
- Feed-back from this audience
- Conclusions for next steps

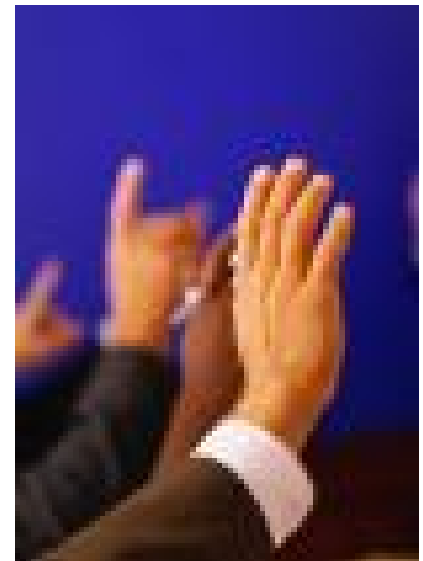

Topics

- **Cadastral and Land Registries in the European context**
- **Alignment with other functions**
- **Clients**
- **Products and services**
- **Organisation**
- **Staff**

Questions to discuss

- **Is this approach valid?**
- **Do the questions touch on relevant aspects?**
- **What should be changed?**
- **What is good?**

Work Plan Ahead

- Discussion on feed-back
- Meeting in August/September
 - finalization of questionnaire
- GA September 25-27
 - evaluation of result
- Final adjustments

Conclusions

- **Questionnaire**
 - **meet the Vision statement**
 - **not overlap with other (EG) questionnaires**
 - **update a database**
- **Database (Information Resource)**
 - **direct comparison**
 - **find a benchmarking counterpart**

Information Resource

**Tool for top management to
monitor and evaluate
international development and
trends**
