

The role of land surveyors in the maintenance of Cadastre

Summary of break-out session group 1

Findings

- Legal environment is different in countries
- Technical and legal procedures
- Licensing for legal procedures more
- Market implies on surveying activities
- Qualification depends what surveyors are going to do (5 week or 5 years in university)
- Permanent education/updating of knowledge/examination
- Minimize controls/minimize efforts of public authorities

challenges

- What will be surveyor in 21st century?
- Is it possible be as European surveyor?
- Land surveyor across borders?
- To find ways how to minimize controls?
