

EuroGeoNames Workshop 6

Next Steps

Freising

3 June 2008

Sabine Afflerbach, Pier-Giorgio Zaccheddu

Frankfurt am Main

Measures concerning...

- Translation of terms
- Draft of Service Level Agreement/Description/Objectives
- Adaptation of Metadata Profile to INSPIRE IR
- Sustainability

Translation of terms

- [Excel-Sheet](#) with terms of the EGN data model and the EGN feature classification
- Will be discussed within the CM tomorrow
- Will be sent to the RefGroup **mid June 2008**

Service Level Agreement/Description/Objectives

- 2-level approach considered
 - SLA with NMCAs for the EGN Local Services (not to be published!) with internal information like contact person
 - SLD (description) as lowest common denominator for the EGN central Service to be published for VARs
 - To be prepared in **autumn 2008?**

Metadata Profile

- EGN profile (D3.3 Metadata profile) available since **August 2007**
- Adaption to INSPIRE-IR after adoption by the EP in **mid June 2008**
- Amended version will be sent to RefGroup in **autumn 2008**

What comes next?

- Additional workshop / bilateral meetings?
- **Closing workshop in January/February 2009**
 - Joint workshop with EGN RefGroup & UNGEGN WG on
Toponymic Data Files and Gazetteers
 - Potential VARs & EGN Group of Interest (about 20 organ.)
 - Location still to be determined
 - About 60 participants
